

THE FRIENDS' MISSION STATEMENT

The purpose of "The Friends of Fort Trumbull State Park, Incorporated," (i.e., "The Friends") is to work in cooperation with the State of Connecticut Department of Energy and Environmental Protection (DEEP) to support its mission of bringing to the visiting public the history of Fort Trumbull and local area. In addition to historical interpretation of the fort's role in local and national history, the areas of interest to The Friends include program development, archival management and volunteer coordination.
